

THE
1968 CARTHADIAN

CARTHAGE CENTRAL
JUNIOR SENIOR HIGH SCHOOL
CARTHAGE, NEW YORK
VOLUME XI

EDITOR'S NOTE

Probably one of the most difficult tasks in putting together the *1968 Carthadian* was to find an appropriate theme. Not only must the entire yearbook be constructed around the theme, but it must be something that the whole student body can appreciate and apply to themselves, for the content of the yearbook is about them.

We chose *time* as our theme for the *1968 Carthadian* because we felt that it was something in which we all share a common interest. Time is essential to all of us in our own ways, whether it means getting to class on time, or keeping to the music, or timing a play just right. We have tried to present time at Carthage Central as we see it.

To supplement our theme, we have taken a passage from the Book of Ecclesiastes in the Bible, the third chapter, verses 2-8. Although everyone may not be familiar with this passage, it does contain a few lines that we found particularly applicable to us, the student body.

It would only be right to open our yearbook with some symbol of time, so we have depicted, on the cover, an Aztec sun calendar.

The *1968 Carthadian*, then, is a way of expressing what time has meant to each of us. We think that for every student at Carthage Central, there is "a time for . . ."

DEDICATION

WILFRED J. RUSHMAN

His thirty-fourth year as a professional educator will be noted in September, 1968, as the supervising principal of our Carthage Central School District.

Wilfred J. Rushman has devoted all thirty-four of those years to students of local school systems.

The challenge and opportunity of working with young people were paramount considerations in Mr. Rushman's choice of a career when, after his graduation from St. Lawrence in 1934, he came to West Carthage as coach, physical education instructor and classroom teacher. In 1944 he became principal of West Carthage Public Schools.

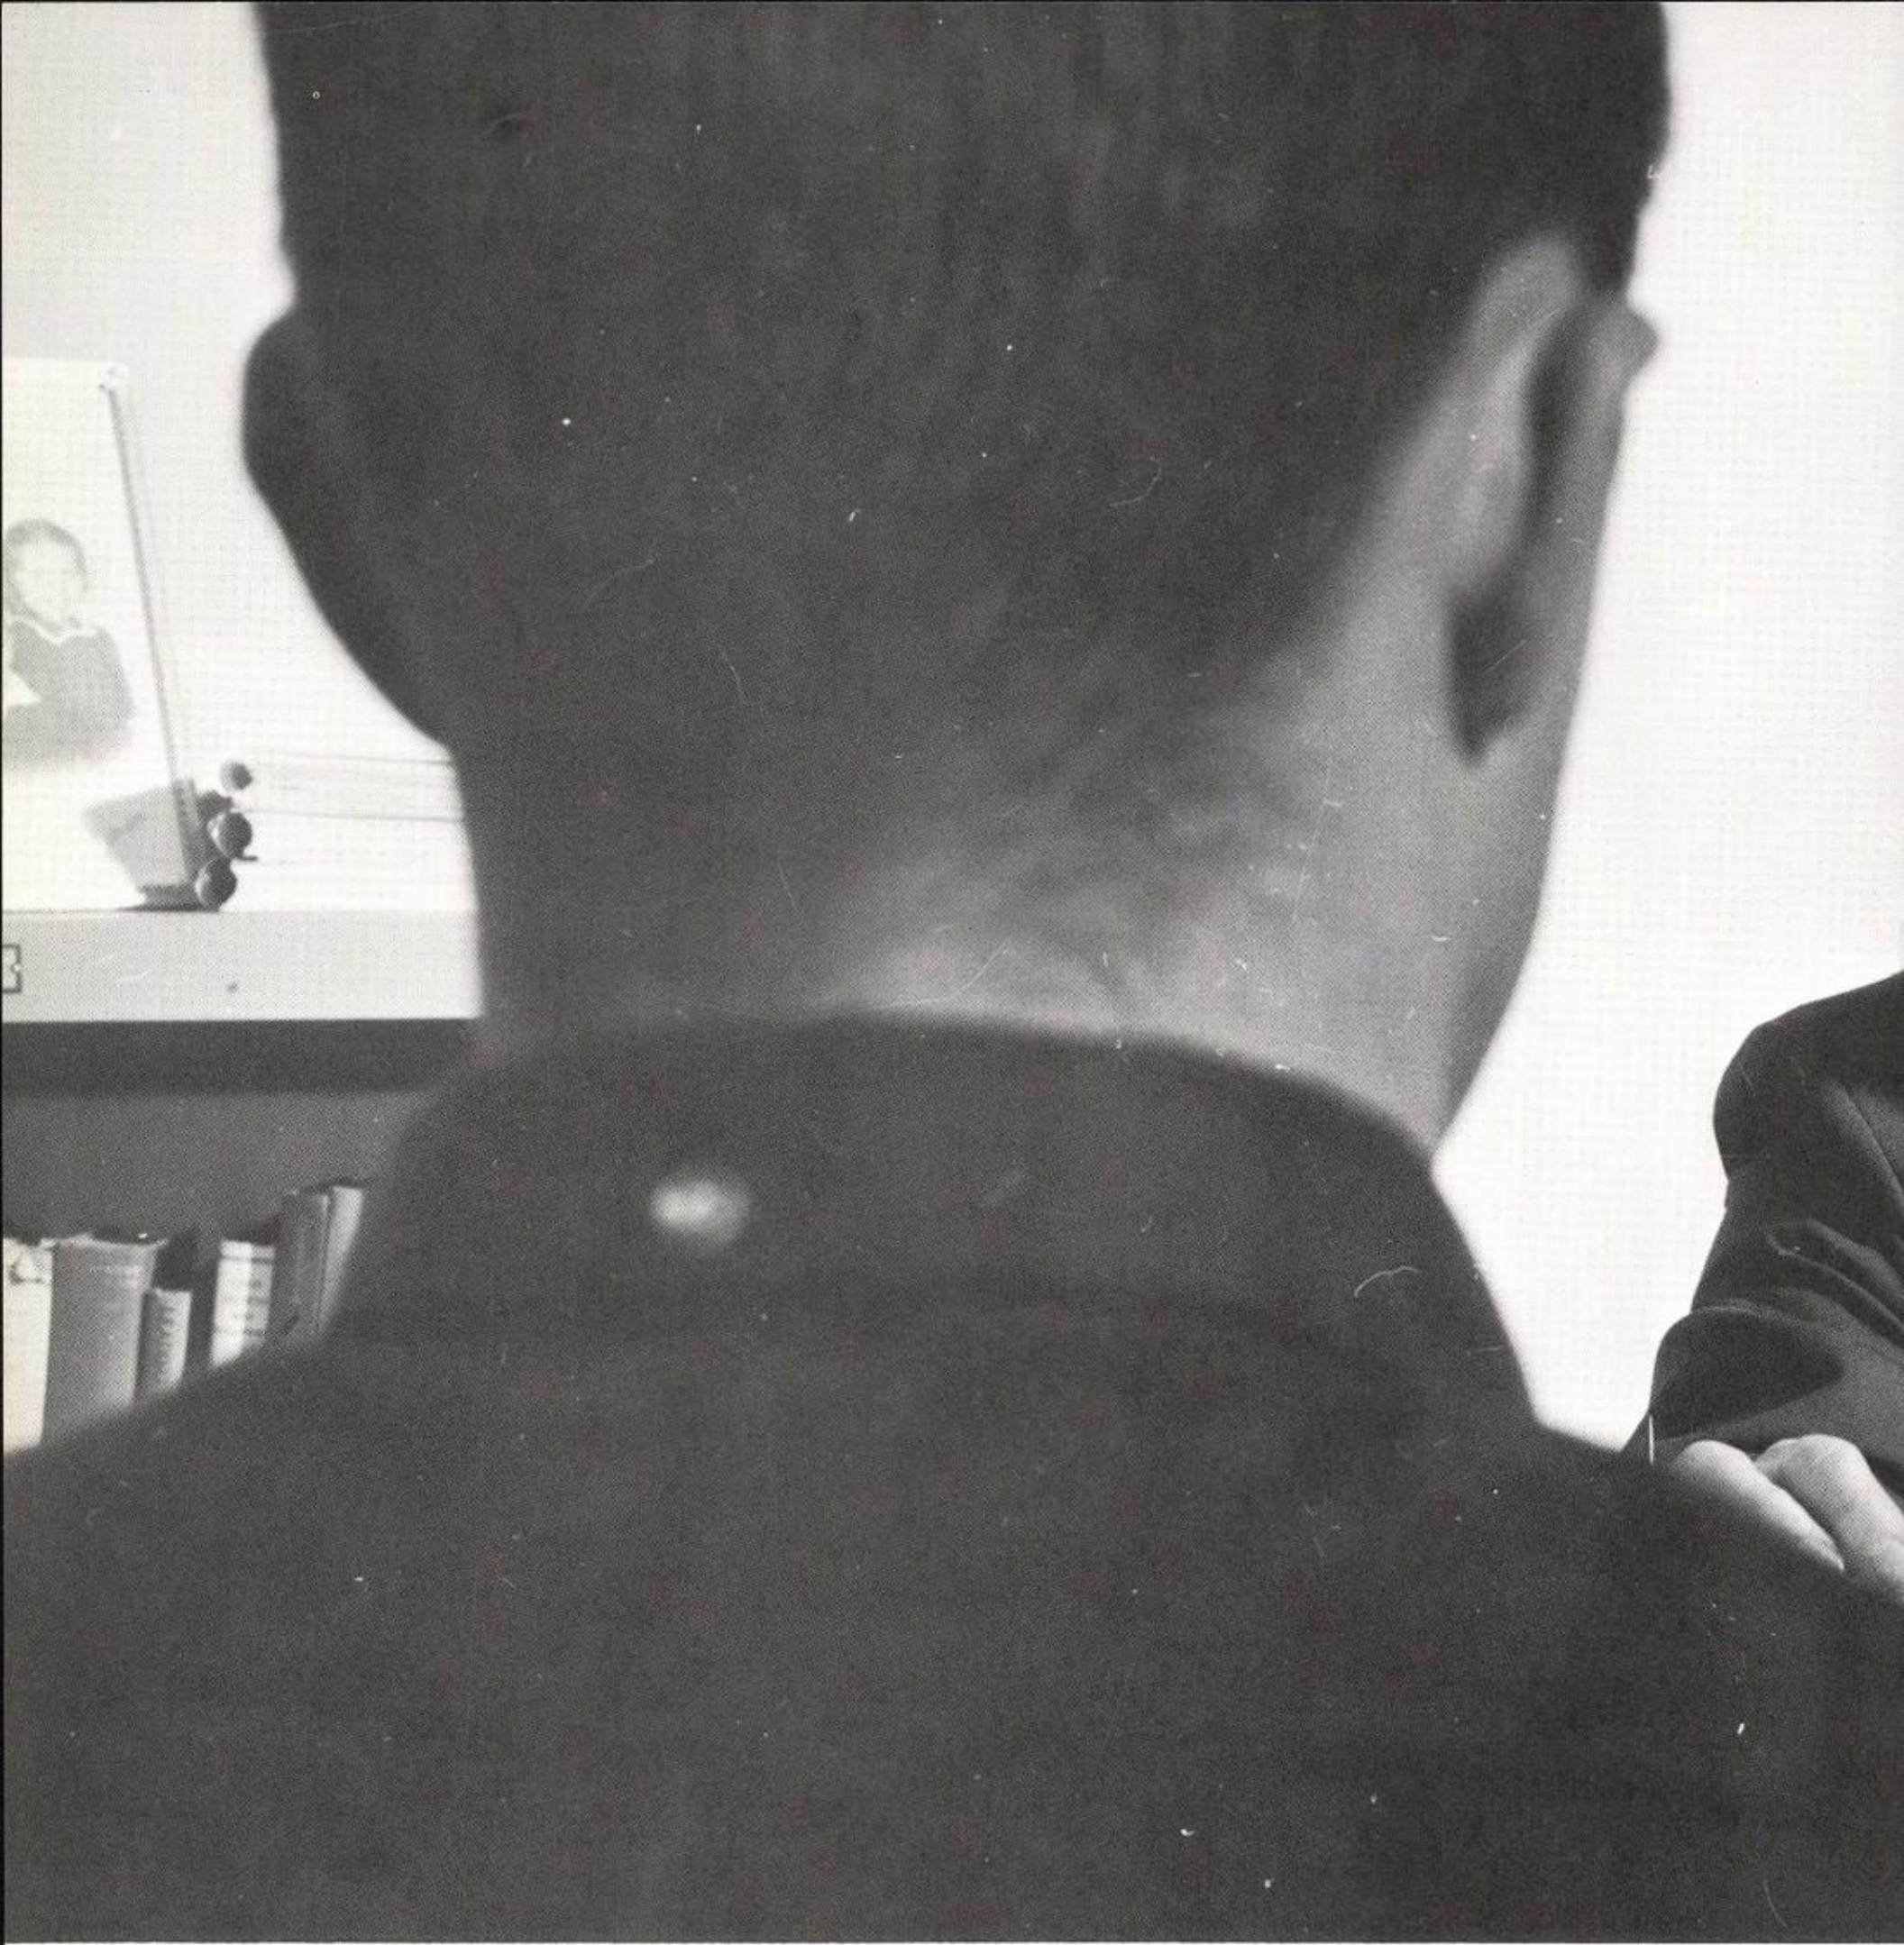

Ever interested in ways and means of improving and expanding educational facilities, Mr. Rushman was one of the prime movers in bringing together thirty-two school districts into what is now the Carthage Central School District. In February 1954, he was appointed the district's first supervising principal, a position he has occupied continuously since that time.

His tasks in this capacity have never been easy, and doubtless would have defeated many a man less determined. To begin with, there was literally "no school" for a large number of the students "inherited" by the new district. Mr. Rushman not only guided the district through that difficult formative period but also helped ease the growing pains that accompanied the planning, building and utilization of the district's then-new junior-senior high school and other new facilities in West Carthage and Natural Bridge.

Significantly for those of us who are today's students in the school system administered by Mr. Rushman, he remains, after 34 years in education, an innovator—one who is eager to give expression to new and modern concepts and stances in education. He remains, too, one who first and foremost is dedicated to the student.

We the staff of the Carthage Central School yearbook are proud to dedicate the 1968 *Carthadian* to . . .

“A time to guide”

When describing the efforts of the Board of Education, it becomes difficult not to seem maudlin. Their work in securing new schools for our district would impress any admirer of perseverance and inspiration. We, the students of Carthage Central School, are thankful for this. Under the leadership of this year's president, Lee T. Hirschey, the board has made great gains in curriculum development and community relations.

VARSITY FOOTBALL

Don't worry, I'll get it.

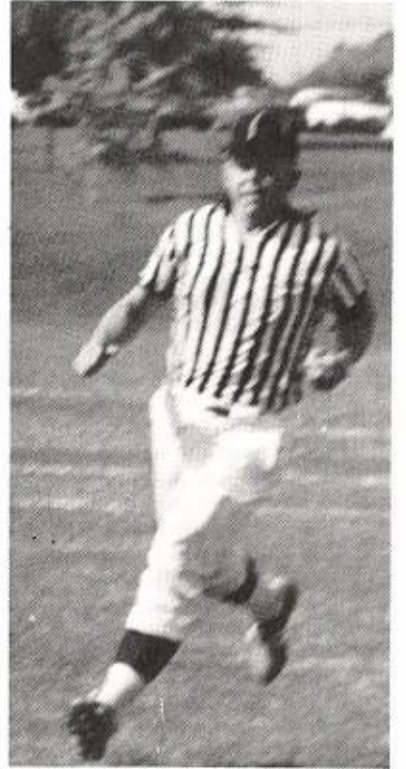

The 1967 Carthage Central Comet football team experienced a moderately successful season. Led by senior captain Dick VanHorn, the gridders won three and lost five. Victories came at the expense of Central Square, West Canada Valley and Holland Patent. The team was impressive early in the season, but the loss of key linemen through injuries hurt during the latter half of the campaign.

Standouts in the backfield were quarterback Roger Hansek and Pete Liberatos at fullback. Mike Powell and Brian Laneuville along with Captain VanHorn led the line charges. Coach Miller can look forward to a fine season in '68 due to the fact that many returning sophomores and juniors gained valuable game experience this year.

All right, what happened to the ball?

I'm coming as fast as I can.

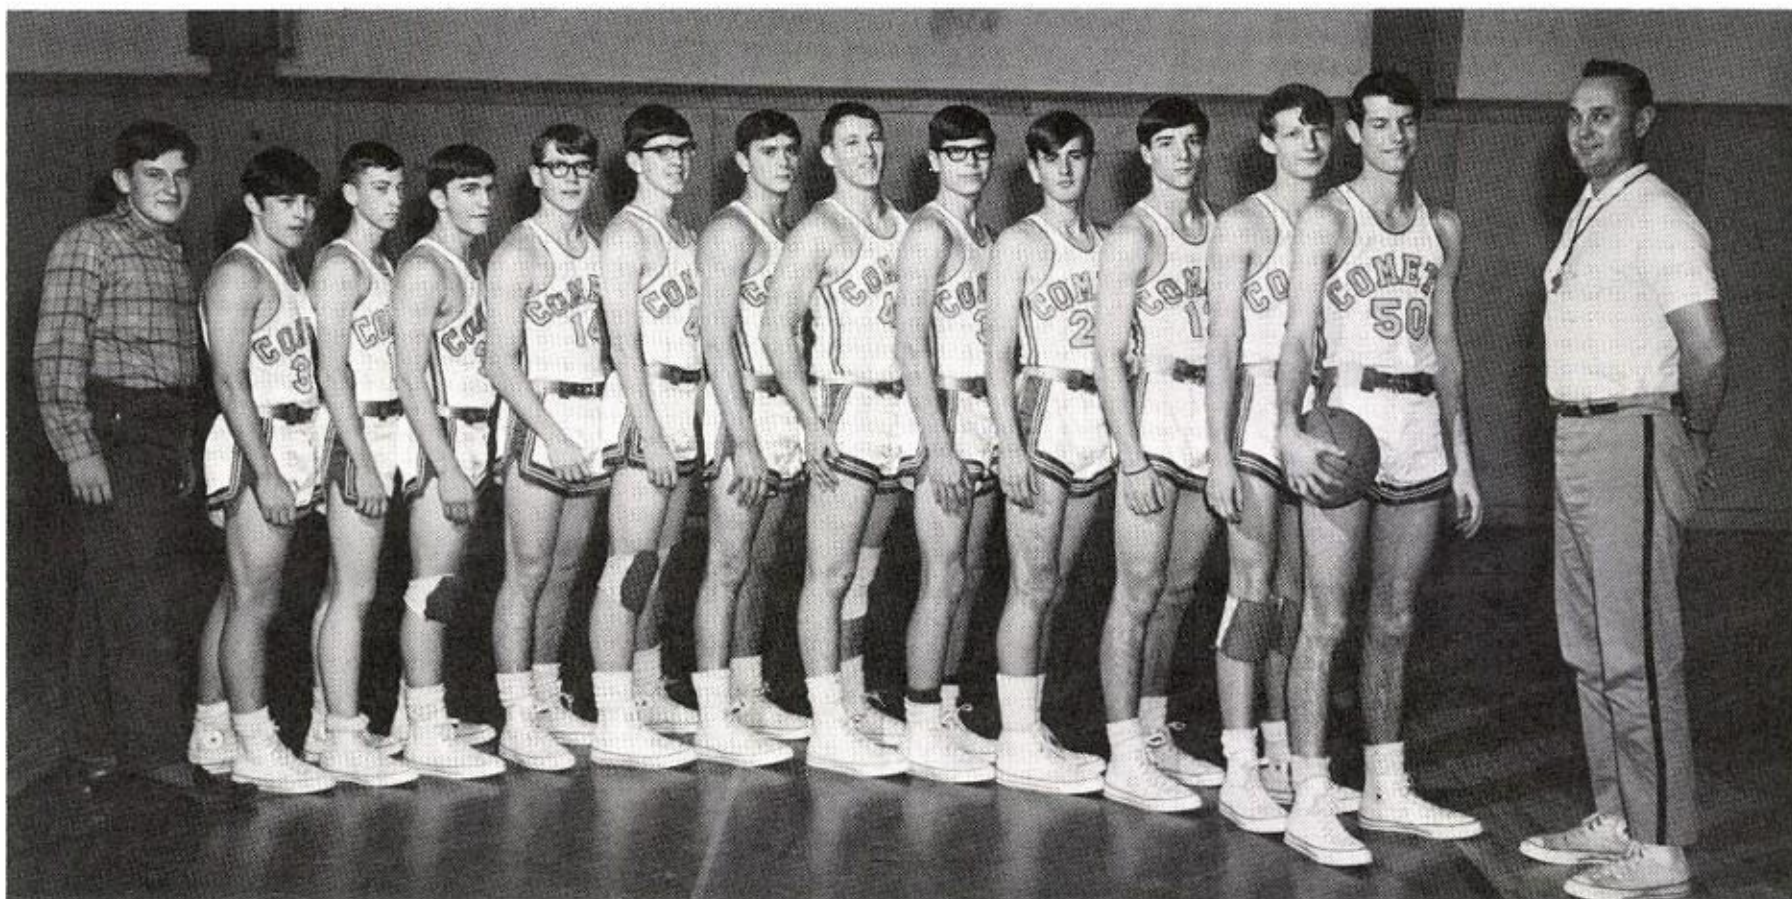

This isn't touch football.

J.V. FOOTBALL

VARSITY BASKETBALL

The varsity basketball team under the direction of Mr. Richard Rollins finished the season with a commendable record of eleven wins and eight losses. The cagers achieved double wins over arch-rivals Augustinian Academy and Lowville. The wide-open, fastbreaking type of game displayed by the hoopsters was exciting to the many students who supported this year's team. Scoring and rebounding honors in almost every game went to seniors Bill Siedlecki and Bob Nabewaniec. Donn Cole and Bill Ward also deserve credit for their performances. The future looks promising with six juniors returning next year.

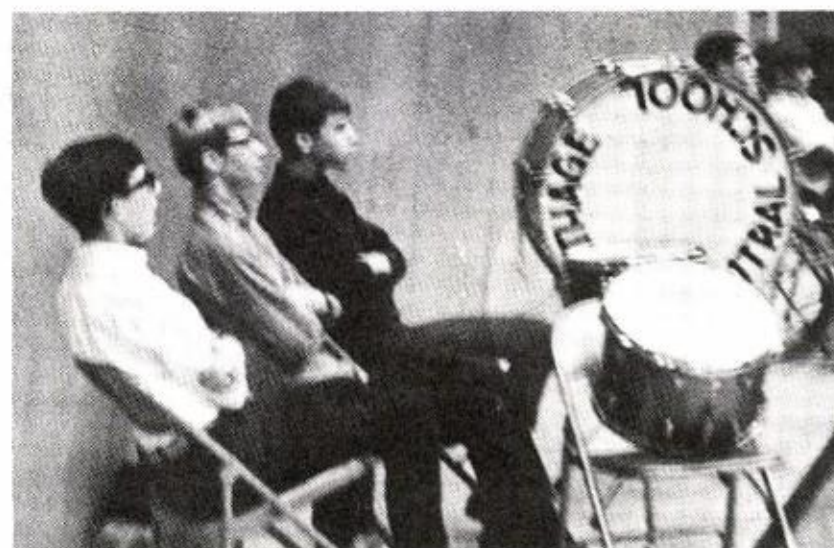

Where's that old school spirit?

There's that old school spirit.

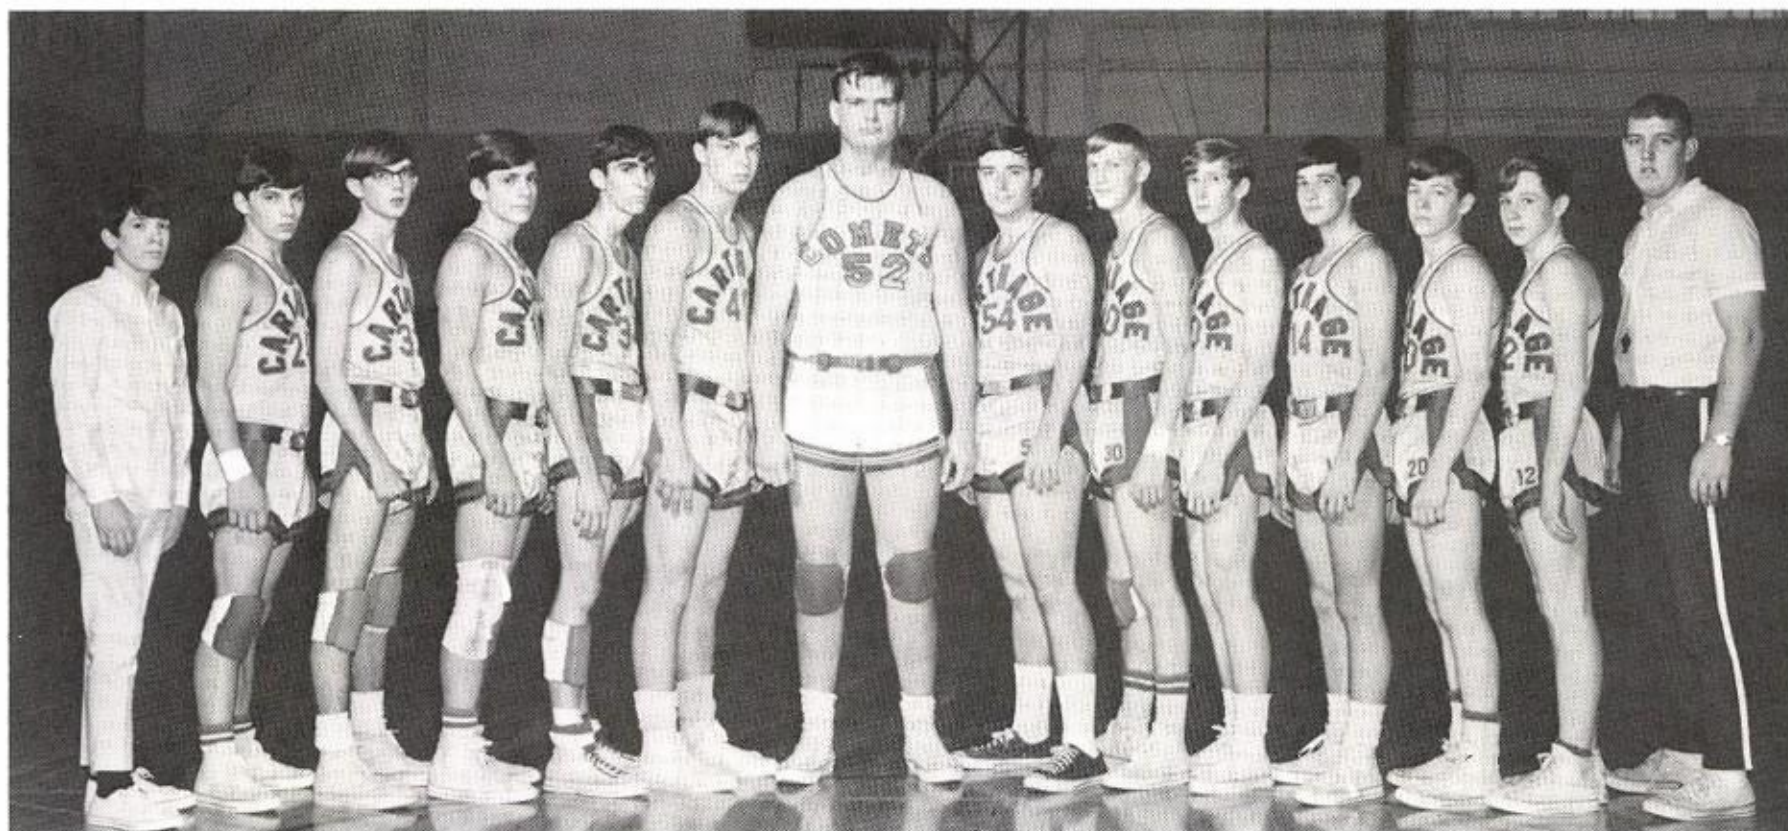

This is a pep rally?

BASKETBALL

The J.V. basketballers, coached by Mr. Metcalf, ended the campaign with a five and thirteen slate. The little Comets were improved during the last half of the season, losing close games to many opponents and beating Lowville. The Freshmen team record was ten and four.

Manager Mike Carcasole, Lloyd Scanlin, Paul Frezza, Dewey Mosher, Tony Dumaw, Bill Peterson, Tom Upshaw, Bill MacMillan, Don Hack, Dennis VanHorn, Steve Snider, Randy Guyette, Terry Simser, *Coach* Jerry Metcalfe.

VARSITY CHEERLEADERS

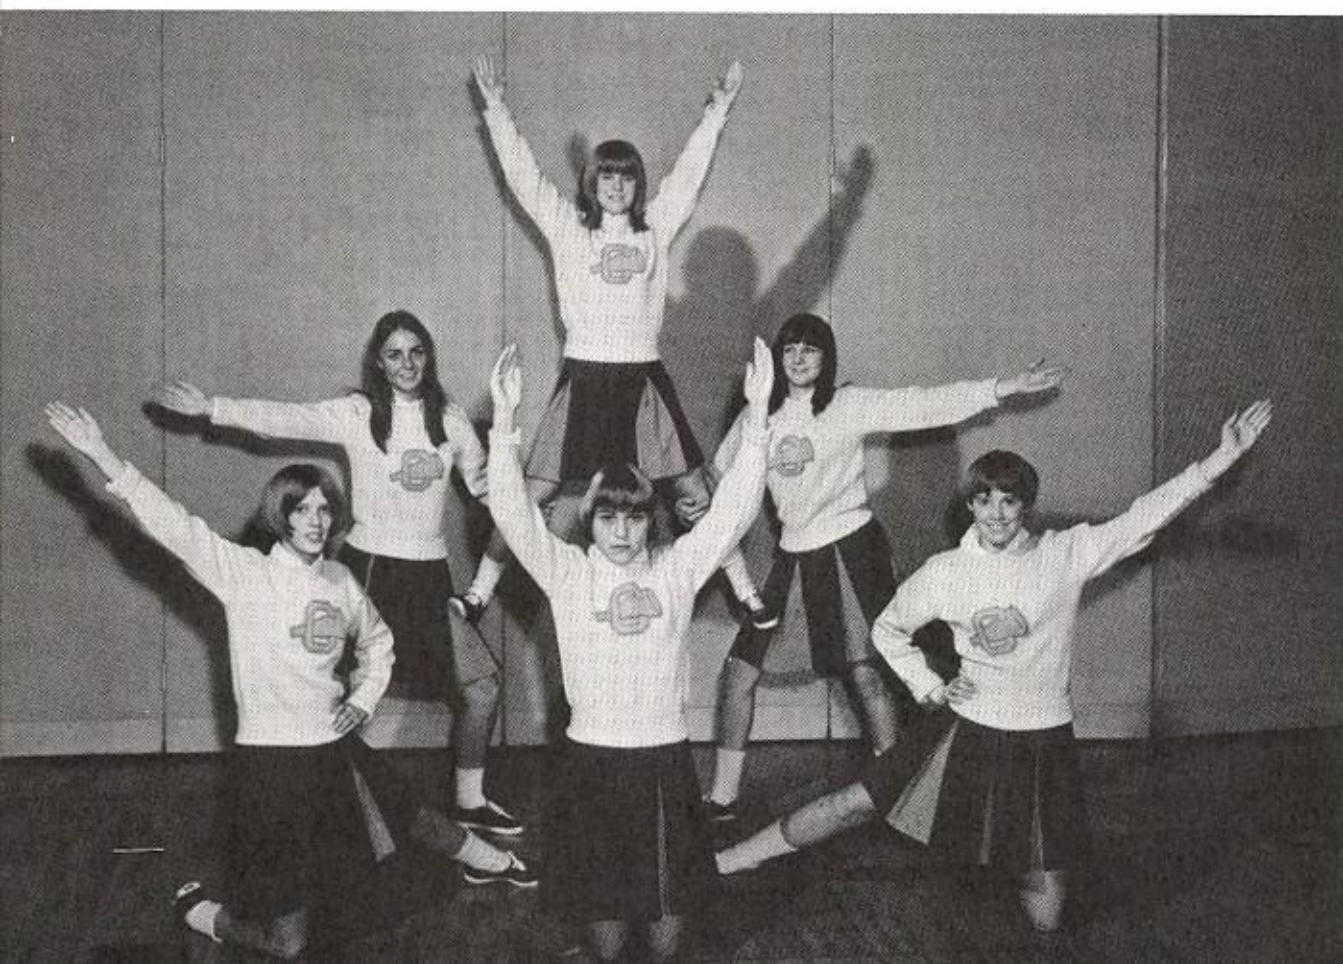

Front row: Susie Quay, Cathy Bears, Rolayne Harvey. Second row: Debbie Lee, Jane Stiner. Third row: Pam Vail, Debbie Valencour, Linda Rollins, Claire Schwendy.

Why doesn't somebody cheer?

Coached by Miss Trimby, our cheerleading squad does an excellent job of creating enthusiasm for athletic contests. Through hours of practice they make basketball and football games colorful events. Posters, made by these girls, announcing coming games, have become a familiar sight in our halls this year. The cheerleaders deserve the student body's many thanks for their diligence.

Front row: Paulette Thesier, Sandy Parks, Julie Burns. Second row: Claudia Edwards, Linda Bradey, Lori Worden.

J. V. CHEERLEADERS

Front row: Manager Pinky Hall, Tim Tabolt, Stan Ashcraft, Wayne Ferguson, Gary Mono, Greg Mauer, Mike Burke, Dick Rushlow, John Mono, Lyle Pickert, Gary Cook, Mike Nabewaniec, Bob Williams. Second row: Coach Gary Winters, John Astafan, Irving

Loomis, Charles Miles, Wayne Sears, Stan Ferguson, Jim Rushlow, Mike Hancock, Jim Adams, Marty O'Keefe, Bob Rushlow, Jon Burke, Larry Rushlow, Calvin Kneeland, Manager Dave Burr.

WRESTLING

The Comet grapplers completed their season with a record of four wins, nine losses and one tie. Mr. Winters guided his matmen to a fifth place finish in the Frontier League and a seventh place in the League Tournament. In the Baldwinsville Invitational the team finished fifth with Mike Cook, Stan Ashcraft and Tim Tabolt grabbing second place honors. Lack of wrestlers to fill the lower weight classes was detrimental to the team all year. Ten or fifteen points were forfeited each match. Outstanding performers were Tabolt, Ashcraft, and Wayne Ferguson.

There's something you don't see very often.

SKI TEAM

The 1967-68 ski team under the able direction of Mr. Goodspeed competed in four meets. Skiing in both the slalom and giant slalom, the team entered invitationals at Snow Ridge and Big Tupper. In the Section III meet at Old Forge the team finished sixth.

Lou Flanigan, Steve Dillon, Mike Rainville, Tom Buckley, Jim Higgins, Coach Richard Goodspeed.

Front row: Coach Gary McDermott, Gary Smith, Eric Wiley, Frank Davis, Bob Wiley, Alan LaVine, Tom Luther, Jack Lester, Alan Flynn, David Gates, Tom Hollingsworth, Dan Phillips, David Sly,

Leon Desormo, Manager Donald Covey. Second row: David Drean, Marty Mitchell, Roy Bierman, Dale O'Donnell, Eugene Kissell, Larry Gilpin, Pat Leddy, Steve Fargo, Wayne Parshley.

VARSITY SWIM TEAM

Led by co-captains Eric Wiley and Tom Luther, the Comet mermen compiled a record of four wins and eight losses. Lack of depth was evident in almost every meet this year. Capturing second and third places proved to be a greater task than actually winning races. Wiley, Luther, diver Steve Fargo and Bob Wiley were consistent winners. Things look bright in the future for C.C.S. swimming with only three senior lettermen on this year's squad. Freestylist Eric Wiley went on to win a sectional title and a second place in the intersectionals.

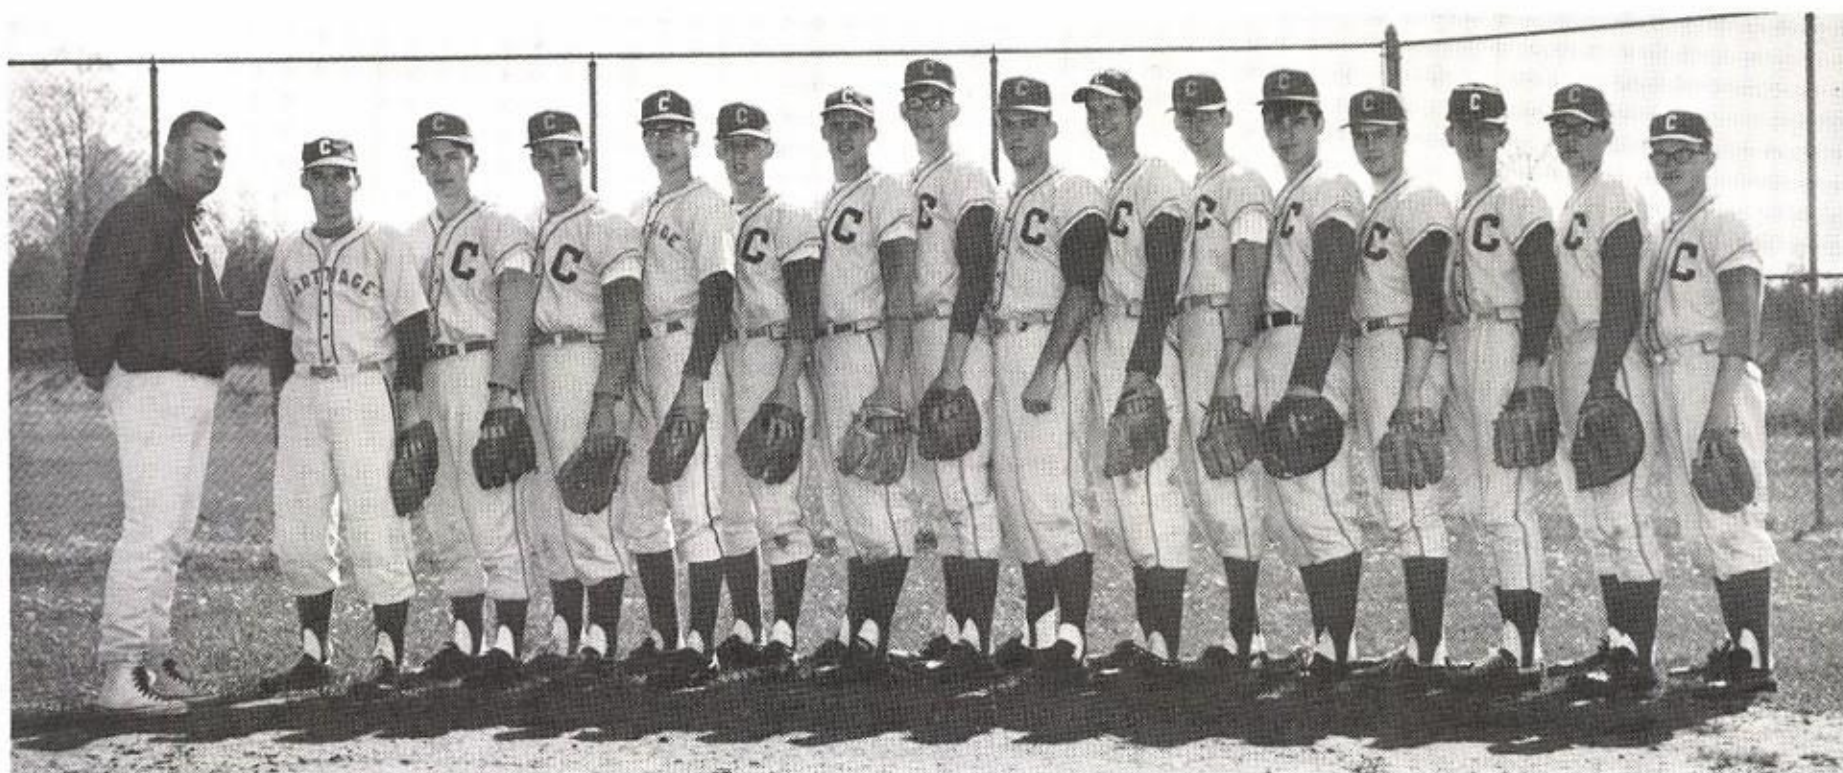

Be kind to your web-footed friends. . .

FRESHMAN SWIM TEAM

Front row: Robin Lester, Bill Runge, Brian Langdon, Tom Burto, Doug Rebior, Bill Taylor, Joe Toko, Steve Bovee, Mike Allen, Mike Bears, Mike Sears, Jay Soper.

Nabewaniec, Tom Lehman, Steve Siedlecki, Dick Prue, Dennis Swain, Tim Latham, Dave Covey.

VARSITY BASEBALL

The 1967 varsity baseball team compiled a record of six wins, five losses and one tie. The tie was in an eight inning affair with Harrisville. Poor weather hampered the team early in the season and consequently arch-rival Lowville was played only once. Pitchers Bill Ward and Dave Linstruth turned in outstanding performances, both allowing less than three earned runs per game.

Under Mr. Pierce the J.V. baseball team ended a successful year with a record of eight wins and four losses. Tony Dumaw and Randy Bishop were the team's standouts.

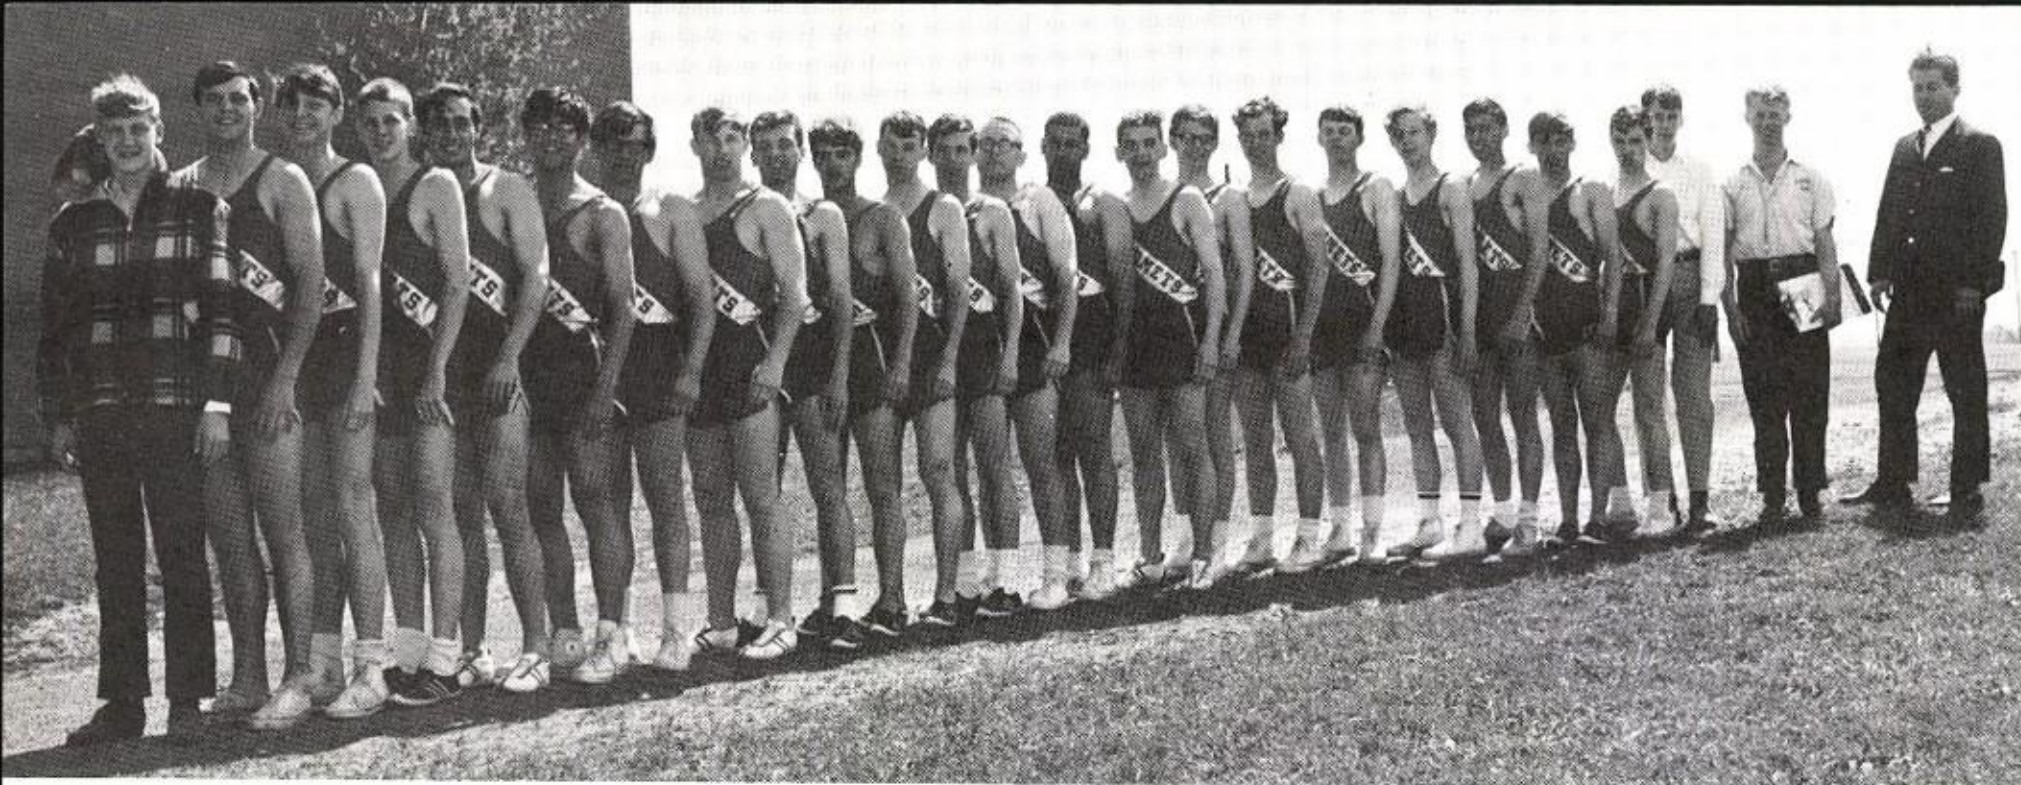

The star player?

J. V. BASEBALL

Front row: Mike Gebo, Bob Wiley, Russ Getman, Dale Pridell, Mike Stumpf, Don Sawyer, Gordon Reynolds, Jim St. Louis, Frank Davis, Fred Goutremout, Tony Avallone. *Second row:* Manager Dennis Cole, Jim Watson, Reggie Willmert, Pat Ambrose, Gary Mono, Tony

TRACK

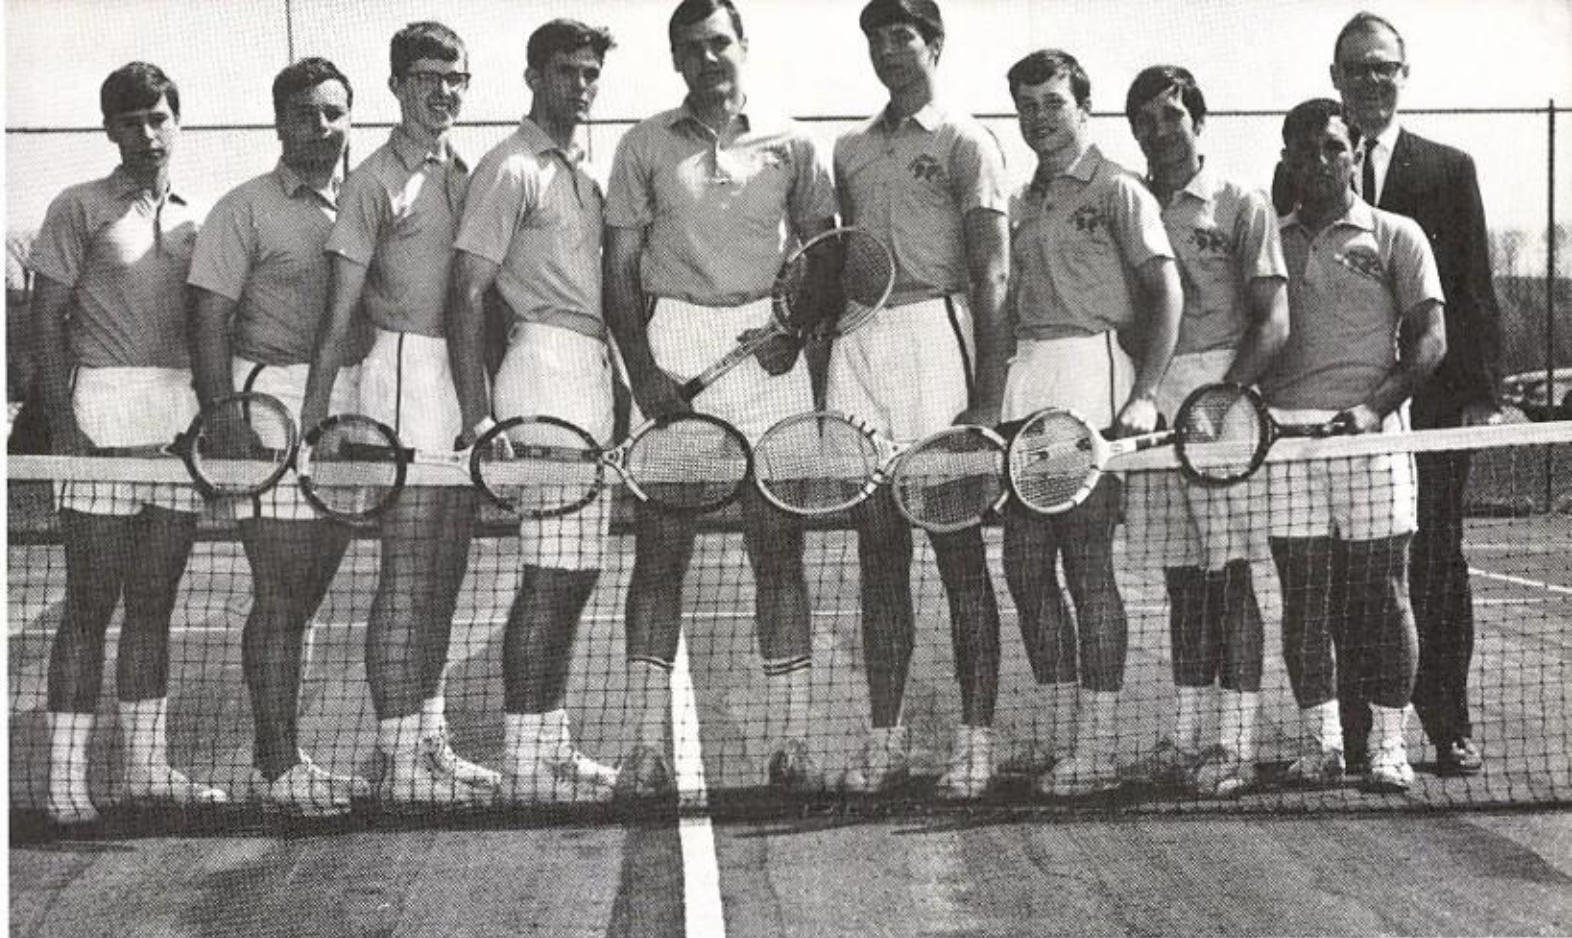

The 1967 C.C.S. track team was coached by Mr. Ronald Roggie and Mr. Gary Winters. Defeating Adirondack Central and losing to strong aggregations from Canton and Watertown, a dual record of one win and two losses was compiled. The team also competed in invitationals at Proctor of Utica and New Hartford. The highlight of the season was John Ricci's second place finish in the 880-yard run at the Section III meet.

The 1967 cross country team, coached by Mr. Ronald Roggie, had a better-than-average season. In their invitationals they consistently finished in the upper half of the teams competing. The Harriers ended the campaign on a high note, finishing second in the Section III meet.

TENNIS

The 1967 golf team placed sixth in the Frontier League. The Linksmen won four and lost ten. With many lettermen returning, Coach Finer should have a more successful season next year.

The 1967 tennis team under the tutelage of Mr. Stanley Bingham completed its season with a record of three wins and two losses. Led by Tony Palladino, the team had a successful season, which was climaxed by its winning the Frontier League Tournament.

AMERICAN FIELD SERVICE AT C. C. S.

An A.F.S. student from Holland, an increasingly active American Field Service Student Committee, and a participant in the Americans Abroad part of A.F.S. all contributed to the growing interest in this student scholarship program at Carthage Central.

For six months of the 1967-68 school year, Frans tenBroeke of Apeldoorn, Holland, made his home with Mr. and Mrs. Donald Ferguson and family of Carthage. Mrs. Ferguson, Frans, and Frans' American brother, Alan, are shown in the picture above.

In its second year of active work, the A.F.S. Student Committee, at left, planned an American Field Service Day at Carthage Central. Membership in this club is open to any junior or senior who is interested in the American Field Service.

For the first time in six years, a student from C.C.S. was chosen as a participant in the Americans Abroad program. Tom Rich spent the summer of 1967 in Sao Paulo, Brazil, with Dr. and Mrs. Jose Thiago and family, pictured at the right.

"How nice it would be to take off my shoes!"

One of the least-mentioned, yet the most important, subjects of a yearbook should be the classroom. It is an especially appropriate subject for the 1968 *Carthadian*, for students at Carthage Central have such a great opportunity to diversify, according to their individual interests. A student at C.C.S. can always "find" himself in his work, whether it's in the metal shop, the physics lab, the sewing room, or perhaps in mechanical drawing.

If a student is looking for a field in which he has little or no training, he may choose one of the foreign languages from a well-balanced program. Majors in homemaking, art, music, shop, science and mathematics are offered. The vocational school is continuing to be a constant aid to students.

On these two pages we have presented the classroom at C.C.S. pictorially as we see it, and more than that, as *every-one* experiences it.

Here is something unusual; someone working.

I better have a temperature. I have an English test this afternoon!

Front row: Alan Ferguson, David Hoover, Sally Allen, Lyle Pickert. *Second row:* Jane Eckelman, Tom Rich, Mike Glass, *Advisor* Mr. Newell.

QUIZ TEAM

The purpose of the quiz team is to represent our school in interscholastic competition. Every Saturday morning during the school year the program Classroom Quiz was broadcast over WWNJ radio. Each of the fourteen teams competed twice. The three schools with the highest total of points met for the Championship on May 15 at our own school.

Bob, pay attention to the teacher.

C. E. CONFERENCE DELEGATES

Front row: Michael Rushman, Linda Rollins, Jean Lehman, Steve Gebo. *Second row:* Mr. Thomas Gibbons, Michael Gebo, Tom Rich, Dave Hoover, John LaClaire.

The delegates to the Citizenship Education Conference, chosen in their junior year, attend this conference two consecutive years. Advised by Mr. Thomas Gibbons, members prepare weeks in advance for the conference, held in the spring at Syracuse University. Valuable scholarships to Syracuse University are awarded to students on the basis of a speech and of their contributions to two round-table discussions.

*For everything there is a season, and a time for everything under heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time for war, and a time for peace.*
